

A collage of Japanese food and drinks. In the center, a tall glass of red cocktail with a lime wedge and a metal straw stands next to a shorter glass of amber liquid with a lime wedge. To the right, a glass of light-colored cocktail with a lime wedge is visible. The background features several plates of food: oysters on the half shell with dipping sauce, yakitori skewers, a plate of grilled fish, and a bowl of salad. The overall scene is set on a white table.
